Internship profile of the study program Social Pedagogy - employee of the Low-Threshold Facility for Children and Youth

Workshop day: 8 June 2021

Description of the study program:

A graduate of the field of study Social Pedagogy and Theology meets the requirements for performing the following profession:

- a social worker in accordance with Act No. 108/2006 Coll. on social services
- requirements for direct pedagogical activities as an educator, leisure-time pedagogue or as a teacher's assistant in accordance with the relevant provisions of Act No. 563/2004 Coll. on pedagogical staff, and 561/2004 Coll., the Education Act.

The knowledge and skills of the graduate are specified in the framework of the study programme in accordance with the focus of the field of Social Work or Special Education. At the same time, the graduate may participate in the provision of pastoral and spiritual care if the internal provisions of the relevant Christian church or organization offering such care allow for that.

Workshop proceedings – notes:

The workshop was divided into 2 parts, in the first there was a presentation of the project and participants and a presentation of the method "Design thinking". This was subsequently applied in the second part of the workshop, according to the methodology and manual that is attached to this record.

Learning outcomes and activities were discussed and described in one specific internship – **an internship in a low-threshold facility for children and youth**. Attached to this record are "brainstorming" flipcharts, photos of participants and a subsequent table with outputs and activities.
